THREE VIEWS OF THE SAME OBJECT

BY: HENRY MURRAY

Rogue Machine Theater 5041 Pico LA, CA 90019

Fri. @ 8 Sat @ 8 and Sun @ 3 @855-585-5185

“...Three Views, however difficult, a vivid, memorable experience.”

“...A formidable cast that features some of the best character actors in town.”

“...Catherine Carlen, whose nuanced performance trumps her underwritten role...”

LA TIMES CRITIC'S CHOICE

“...It is a brilliant piece of theater...”

“...The cast is remarkable...”

“...Catherine Carlen brings real nuance and intelligence to her three variations on the same character. Small changes in her physicality speak volumes; she raises an eyebrow while essentially repeating the same line, and somehow, the meaning seems quite different. It's not a showy role—but Carlen's is no less an accomplishment...”

STAGE AND CINEMA

“...A Tour De Force...”

“...For anyone who appreciates seasoned acting...”

“...Catherine Carlen has the most challenging role as she appears in all three relationships with slightly differing but similar roles. Her phone call monologue, while difficult, shines luminous as she maintains control without losing heart...”
